

## 2006 CPUC PIPELINE SAFETY SEMINAR

The California Public Utilities Commission, Utilities Safety and Reliability Branch, is sponsoring free 2-day seminars for operators of small natural gas and propane distribution systems.

The seminars will be held at the following locations:

### Southern Region

October 12-13, 2006 (Seating capacity – 160):

San Diego State Building  
1350 Front St. San Diego, CA

### Northern Region

October 24-25, 2006 (Seating capacity – 196):

California State Employment Development Department  
722 Capitol Mall Sacramento, CA

Seating is limited so everyone is encouraged to register early. To reserve your seat to the seminar, do any of the following:

- Fill out the online registration form
- Fax request for registration form at (415) 703-1891;  
Attention: 2006 CPUC Pipeline Safety Seminar  
Provide a contact number and mailing address.
- Contact (800) 755-1447 to have a registration form mailed.  
(When leaving a voice message, please provide your contact number and mailing address.)

Attendees should plan to arrive at 8:30am on the first day of the seminar for registration.

Visit [www.cpuc.ca.gov/static/events.htm](http://www.cpuc.ca.gov/static/events.htm) for more updates. A notice will be posted on the website when seating capacities are reached.
